About Arcadia HealthCare

Arcadia HealthCareSM is a service mark of Arcadia Resources, Inc. (AMEX: KAD), and is a leading provider of home health care / medical staffing; respiratory / durable medical equipment and specialty pharmacy services under its proprietary DailyMedTM program.

DailyMedTM transfers a patient's prescriptions, over-the-counter medications and vitamins, and organizes them into pre-sorted packets clearly marked with the date and time they should be taken. The entire 30-day supply is delivered directly to a patient's home in a convenient dispensing box – with "peace of mind" a pharmacist has reviewed the entire medication profile for that month's supply. This consumer product is aimed at reducing medication errors, improving medication compliance and ultimately lowering the cost of care, and is available at www.DailyMedRx.com.

Additionally, Arcadia extends its health care offerings through affiliated and managed locations on a fee for service basis.

The Company, headquartered in Indianapolis, Indiana, has grown into 89 locations in 22 states primarily through acquisitions, and currently services over 50,000 homes annually through its 5,000 full and part-time associates. Arcadia HealthCare's comprehensive solutions are geared to keep people at home and healthier longer.
